Places to Skate

We heard that a park is supposed to open in Christ Church Va. really soon. It will have three pools, a full pipe and a snake run. Anyone with any info. please tell us. For right now, the best places to ride are Schaffer Court, the spillway behind Uof R and Salisbury Spillway. Joey's halfpipe is still up and very rideable if you know how to get there.

OFF the Streets

Quotes of the Month

"I was thinking about getting a job, but why should I when every one else pays my way. Brandon, skater, punk, burn, etc..."

"I lost my car again."

Bands

Graven Image

Graven Image is one of the hottest new hardcore bands in Richmond. Playing all original songs that have a clean fast sound and just as clean lyrics. They haven't been playing in clubs that much, but when they do, they are always impressive. The band is made up of Dwayne Curd, Nick Smilek, Joey Boisneau, and Britt Ryle. Dwayne, Nick and Joey's second love is skating. The following interview was done when Dwayne got home from work.

B.E. Where did you get the name Graven Image?

D.C. Oh shit. It was the bible.

B.E. When will you be playing again?

D.C. Oh shit! Forget that question. Anytime we can.

B.E. When will your demo tapes be out?

D.C. Good question. We're putting them together with Honor role. They'll be out for sale someday.

B.E. Plan to skate anytime soon?

D.C. When it gets warmer, or when the park opens.

B.E. Who are your favorite bands?

D.C. Gwin Green and MDC are really hot. For more casual listening the stranglers are really good.

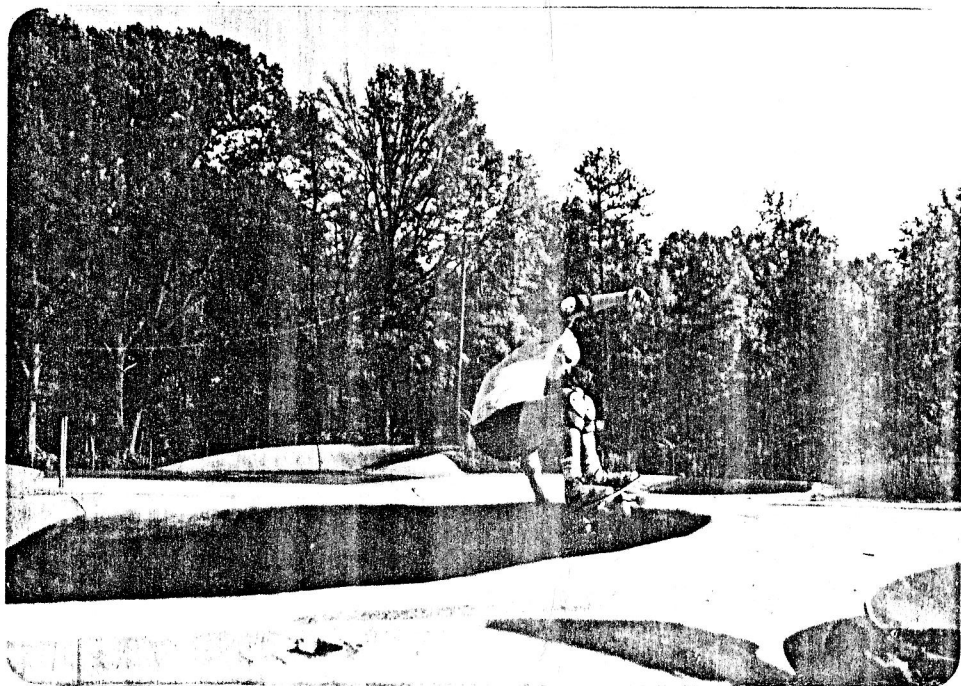

B.E. How about local bands?

D.C. Honor role. They really kick!

B.E. Anything else?

D.C. Come see us practice. Oh yeh, get us some gigs!
